Chileda students are gearing up for a major milestone: their very first prom. The special event is scheduled for April 24 and carries the theme "Stars on Victory Street."

**LA CROSSE, Wisconsin (WXOW)** – Chileda students are gearing up for a major milestone: their very first prom. The special event is scheduled for April 24 and carries the theme "Stars on Victory Street."

This memorable night has been months in the making to ensure students have an unforgettable prom experience.

Organizers are now reaching out to the community for support by seeking donations of prom dresses to make sure every student feels beautiful on their big night.

"It doesn't have to be anything fancy. We can always bedazzle a dress or we can make a little DIY project with dresses too. So we'll take anything that we can get. We'll make it work," said recreation coordinator Ellie Wilde.

For those interested in donating a prom dress to Chileda's special night, donations can be dropped off at the Chileda Learning Center front desk located at 1825 Victory Street.
